1. Welcome and Introductions: Chris Anderson

- ◆ Our Chair, Chris Anderson, welcomed everyone and introduced today's agenda. Danny Slade, as host of our meeting, introduced the new Vice President of Operations for Hamilton Port Authority, Linda MacDonald and this was followed by a round of introductions by the CAER members.

2. Presentation: Alan McLeod

- ◆ Alan McLeod conducted a presentation on TransCAER for the group. The presentation discussed the purpose of TransCAER and its connection to Responsible Care. TransCAER is the transportation element of the Community Awareness and Emergency Response program developed by the Canadian Chemical Producers Association. Alan completed the presentation with a video that explained TransCAER in more detail.
- ◆ Alan spoke about the possible availability of the Training Car, a railcar used for training people in the field of emergency response related to rail accidents.

3. Municipal Report: Bill Pasel

4. Treasurer's Report: Kim Baylis

5. Community Awareness

- ◆ No new updates. Next HIEA meeting scheduled for February 10, 2006.

6. Website – Report: John Boakes

- ◆ J. Boakes presented the preliminary website for Hamilton CAER.
