1. Welcome and Introductions – Chris Anderson

- ◆ Our Chair, Chris Anderson, welcomed everyone and thanked Stelco for making the arrangements for the meeting to be hosted their facilities. A round of introductions by the members followed.

2. Municipal Report- Bill Pasel

3. Treasurer’s Report: Kim Baylis

4. Community Awareness

- ◆ **HIEA Report (Hamilton Industry Environmental Association): Gord Gilmet**

- A recruitment drive is taking place over the fall.
- Newsletter is being revised and expanded to other areas.
- Gord asked if CAER is interested in purchasing some space in the newsletter. The current 4 pages is going to grow to about an 8 page fold out. Gord will update us on these changes to the newsletter when they occur.

- ◆ **BARC Update:**

- No new updates.

- ◆ Chris Anderson will be presenting an overview of CAER at the Hess Senior’s Centre of October 18th, 2005.

- ◆ Bill Pasel asked if any CAER members would be interested in coming out to the next CERV meeting to speak about CAER.

5. Website – Ideas and Report: John Boakes

- ◆ JB discussed quotes for the new website and issues with existing structure and maintenance of the site. Also, samples of the revised site were distributed with the proposed layout of the main page.

.....

New Business

- ◆ The Hamilton Port Authority will be running an in-house emergency exercise and Dofasco will be doing the same in November on pandemic influenza.
- ◆ The Region of Halton is running a 1-day course on “Exercise Design” based on emergency management exercises. The fee for the course is \$185.00 + GST.
- ◆ Team 1 has offered to give a short update on their involvement with the Air France plane accident.
- ◆ Mark Jasper is looking at having a contact from Transport Canada give a presentation covering NFPA 1600.

Next Meeting:

November 10th, 2005: St. John’s Ambulance
 500 Upper Wellington
 Hamilton, ON
